We have performed the procedures agreed with you and enumerated below with respect to the attached Quarterly Progress Report (the Report) as of and for the quarter ended June 30, 2026 on the application of proceeds received by Alliance Global Group, Inc. (the Company) from the offer of the right to subscribe to up to 2,225,874,470 warrants (the "Offer") at a price of Php 0.50 per warrant (the "Offer Price"), which was completed on December 11, 2025. The procedures were performed solely to enable the Company to comply with the requirement of the Philippine Stock Exchange (PSE) to submit the Report accompanied by an external auditor's report. Our engagement was undertaken and our report is issued in accordance with Philippine Standard on Related Services 4400 (Revised), *Engagements to Perform Agreed-Upon Procedures Regarding Financial Information*.

Agreed-upon Procedures

The procedures we performed are as follows:

1. Obtained and checked the mathematical accuracy of the following:
 - a) The Report;
 - b) Schedule of planned application of proceeds from the Offering;
 - c) Detailed schedule of utilization of proceeds for the quarter ended June 30, 2026.
2. Compared the schedule of planned application of the proceeds to the Use of Proceeds section of the prospectus.
3. Compared the disbursements from the net proceeds shown in the Report with the schedule of planned application of proceeds from the Offering and investigated any difference or excess of disbursements over the planned application of proceeds.

4. Assessed reasonableness of the movements in the designated cash in bank ledger with the list of disbursements in the Report.
5. Traced to and examined supporting documents, including approval documents, of significant disbursements in the detailed schedule of utilization of proceeds and traced the total amount of disbursements per category to the Report.

Results of the Performance of Agreed-Upon Procedures

1. With respect to item 1, we obtained the Report for the quarter ended June 30, 2026 and checked its mathematical accuracy. We found the Report to be mathematically correct.

We present below the summary of the net proceeds of the Offering as of and for the quarter ended June 30, 2026, based on the information we obtained from the Company.

	<u>2nd Quarter</u>	<u>Year-to-date</u>
Net proceeds as of December 31, 2025	P1,060,125,739	P1,060,125,739
Application to planned use of proceeds	-	-
Balance as of June 30, 2026	<u>P1,060,125,739</u>	<u>P1,060,125,739</u>

As of June 30, 2026, there have been no disbursements made yet from the net proceeds.

2. With respect to item 2, we noted that the planned application of net proceeds remains unchanged and no actual disbursements have occurred as of the date of this report.
3. With respect to items 3, 4 and 5, we noted that there have been no disbursements or utilization of net proceeds as of the date of this report; hence, not applicable.

Because the foregoing procedures do not constitute either an audit or review made in accordance with Philippine Standards on Auditing (PSA) or Philippine Standard on Review Engagements (PSRE), respectively, we do not express an assurance on the use of the Offering Proceeds based on the said standards. Had we performed additional procedures, or had we performed an audit or review of the financial statements in accordance with PSA or PSRE, respectively, other matters might have come to our attention that would have been reported to you.

We have no responsibility to update this report for events or circumstances occurring after the date of this report.

Our report is solely for the purpose set forth in the first paragraph of this report and for your information and is not to be used for any other purpose or to be distributed to any other parties. This report relates only to the information and items specified above and does not extend to any financial statements of the Company, taken as a whole.
